

Section 8. Nonresident Licensing A. Unless denied licensure pursuant to Section 12, a nonresident person shall receive a nonresident producer license if: (1) The person is currently licensed as a resident and in good standing in his or her home state; (2) The person has submitted the proper request for licensure and has paid the fees required by [insert appropriate reference to state law or regulation]; (3) The person has submitted or transmitted to the insurance commissioner the application for licensure that the person submitted to his or her home state, or in lieu of the same, a completed Uniform Application; and (4) The person's home state awards non-resident producer licenses to residents of this state on the same basis. Drafting Note: In accordance with Public Law No. 106-102 (the "Gramm-Leach-Bliley Act") states should not require any additional attachments to the Uniform Application or impose any other conditions on applicants that exceed the information requested within the Uniform Application. B. The insurance commissioner may verify the producer's licensing status through the Producer Database maintained by the National Association of Insurance Commissioners, its affiliates or subsidiaries. C. A nonresident producer who moves from one state to another state or a resident producer who moves from this state to another state shall file a change of address and provide certification from the new resident state within thirty (30) days of the change of legal residence. No fee or license application is required. D. Notwithstanding any other provision of this Act, a person licensed as a surplus lines producer in his or her home state shall receive a nonresident surplus lines producer license pursuant to Subsection A of this section. Except as to Subsection A, nothing in this section otherwise amends or supercedes any provision of [refer to state excess and surplus lines statutes]. E. Notwithstanding any other provision of this Act, a person licensed as a limited line credit insurance or other type of limited lines producer in his or her home state shall receive a nonresident limited lines producer license, pursuant to Subsection A of this section, granting the same scope of authority as granted under the license issued by the producer's home state. For the purposes of Section 8E, limited line insurance is any authority granted by the home state which restricts the authority of the license to less than the total authority prescribed in the associated major lines pursuant to Section 7A(1) through (6). Section 9. Exemption from Examination A. An individual who applies for an insurance producer license in this state who was previously licensed for the same lines of authority in another state shall not be required to complete any prelicensing education or examination. This exemption is only available if the person is currently licensed in that state or if the application is received within ninety (90) days of the cancellation of the applicant's previous license and if the prior state issues a certification that, at the time of cancellation, the applicant was in good standing in that state or the state's Producer Database records, maintained by the National Association of Insurance Commissioners, its affiliates or subsidiaries, indicate that the producer is or was licensed in good standing for the line of authority requested. B. A person licensed as an insurance producer in another state who moves to this state shall make application within ninety (90) days of establishing legal residence to become a resident licensee pursuant to Section 6. No prelicensing education or examination shall be required of that person to obtain any line of authority previously held in the prior state except where the insurance commissioner determines otherwise by regulation.
